

Why support Old World Wisconsin through Old World Foundation?

"We are very happy to support Old World Wisconsin through Old World Foundation and take this support quite seriously. There are so many good causes and places to share financial and other resources, but we believe Old World Foundation's outreach efforts, creative programming and focus on family and youth education are especially important. Greater understanding of the history, development, diverse cultures and shared values that unite us as a country has never been more needed."

"Old World Wisconsin is a treasure that many people enjoy every year. We recognize that all of OWW's expenses cannot be funded through admissions and the limited state funding they receive. The animals are an important part of the experience, they need to be fed every day. The buildings deteriorate and need fresh paint often. We know that when we contribute to Old World Foundation, our money will directly support the programs at OWW so that we, our friends, and many other people will be able to continue to enjoy this national treasure."
