Old World Wisconsin seeks to encourage, stimulate, and inspire people of all ages and backgrounds, to learn about the social, cultural and natural history of America's heartland, as exemplified in rural Wisconsin. Conceived in commemoration of the lives, ideas and challenges of the state's richly diverse ethnic population, the museum shares the stories of the struggles and opportunities experienced by those forging a new life for themselves in a new land.

Located on 576 acres, the museum exhibits more than 50,000 artifacts and 67 historic buildings from Wisconsin's past. Historic guides in period clothing actively demonstrate traditional skills and offer a rich historical, and personal, view of Wisconsin's past.

Please return this form to the Old World Wisconsin Foundation office for more information on corporate membership.
